Polimiroir Group
Industrial rolls manufacturing and maintenance

The Group is changing its name and will now be called POLIMIROI GROUP.

After using the acronym PMG for several years, we are returning to the original name. Indeed, POLIMIROI is known internationally, it is a guarantee of quality and high technology. Our customers associate this name directly with our products. It is also the link between the different companies in the group...

New name, new communication

Polimiroir Group is therefore the name of the parent entity and will operate as the umbrella brand while recognizing the wealth of each of the companies. Communication will soon be adapted with the change of logos and the implementation of new websites.

POLIMIROI

BPI event organized on Polimiroir site on April 3, 2024.

At the initiative of the BPI, we welcomed Industrial Managers from Paris region to our factory in order to discuss our experiences in terms of exports. The BPI thus had the opportunity to promote its business support systems.

WUJIANG POLIMIROI

Our Wujiang factory has been awarded the title of key supplier by steelmaker VAMA.

We are proud of this performance and wish Polimiroir Wujiang many years of collaboration with VAMA.
